Given our new entry as counsel of record in the case, we respectfully request that the Court schedule a status conference as soon as practicable to discuss both the scope and the timing of Defendants' summary judgment motions and trial.

We have conferred with Plaintiffs, and Plaintiffs do not believe that a conference is warranted, because the Court has set a trial date and indicated that summary judgment motions should not affect the schedule. But if the Court concludes that a conference is warranted, Plaintiffs do not oppose the request.

The parties have conferred regarding dates, and all counsel are available for a conference on October 16, 17, or 24, if any of those dates is convenient for the Court.

Respectfully submitted,

Michael B. Carlinsky
