PFIZER INC., et al.,	:	IN SUPPORT OF APPLICATION FOR
	:	AWARD OF ATTORNEYS' FEES AND

<hr/>		X

I, Jamie McKey, declare as follows:

1. I am a member of the Bar of the State of Texas and an attorney at Kendall Law Group. I am submitting this declaration in support of my firm's application for an award of attorneys' fees and expenses/charges ("expenses") in connection with services rendered in the above-entitled action.

2. This firm is counsel of record for plaintiff Mary K. Jones.

3. The information in this declaration regarding the firm's time and expenses is taken from time and expense printouts and supporting documentation prepared and/or maintained by the firm in the ordinary course of business. I am the associate who oversaw and/or conducted the day-to-day activities in the litigation and I reviewed these printouts (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the litigation. As a result of this review, reductions were made to both time and expenses in the exercise of "billing judgment." As a result of this review and the adjustments made, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought as set forth in this declaration are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the litigation. In addition, I believe that the expenses are all of a type that would normally be charged to a fee-paying client in the private legal marketplace.

4. After the reductions referred to above, the number of hours spent on this litigation by my firm is 497.5. A breakdown of the lodestar is provided in Exhibit A. The lodestar amount

for attorney/paralegal time based on the firm's current rates is \$278,897.50. The hourly rates shown in Exhibit A are the usual and customary rates set by the firm for each individual.

5. My firm seeks an award of \$4,312.67 in expenses and charges in connection with the prosecution of the litigation. Those expenses and charges are summarized by category in Exhibit B.

6. The following is additional information regarding certain of these expenses:

(a) Filing, Witness and Other Fees: \$114.89. These expenses have been paid to the court for filing fees and to attorney service firms or individuals who either (i) served process of the complaint or subpoenas, or (ii) obtained copies of court documents for plaintiffs. The vendors who were paid for these services are set forth in Exhibit C.

(b) Class Action Notices/Business Wire: \$175.00. This expense was necessary under the Private Securities Litigation Reform Act of 1995's "early notice" requirements, which provides, among other things, that "[n]ot later than 20 days after the date on which the complaint is filed, the plaintiff or plaintiffs shall cause to be published, in a widely circulated national business-oriented publication or wire service, a notice advising members of the purported plaintiff class – (I) of the pendency of the action, the claims asserted therein, and the purported class period; and (II) that, not later than 60 days after the date on which the notice is published, any member of the purported class may move the court to serve as lead plaintiff of the purported class." *See* 15 U.S.C. §78u-4(a)(3)(A)(i).

(c) Transportation, Hotels & Meals: \$3,979.28. In connection with the prosecution of this case, the firm has paid for travel expenses to attend, among other things, to meet with witnesses, and to take or defend depositions. The date, destination and purpose of each trip is set forth in Exhibit D.

(d) Online Legal and Financial Research: \$43.50. These included vendors such as Pacer. These databases were used to obtain access to, factual databases, legal research and for cite-checking of briefs. This expense represents the expense incurred by Kendall Law Group for use of these services in connection with this litigation.

7. The expenses pertaining to this case are reflected in the books and records of this firm. These books and records are prepared from receipts, expense vouchers, check records and other documents and are an accurate record of the expenses.

8. The identification and background of my firm and its partners is attached hereto as Exhibit E.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 7th day of April, 2015, at Dallas, Texas.

JAMIE J. MCKEY
